
Backed by HM Treasury, National Savings offer 100% capital protection across a range of products as listed below.

Premium Bonds – These pay no interest but are included in a monthly draw to win prizes up to a value of £1,000,000.

Certificates – These pay a tax free, fixed or index linked rate of interest for a fixed period of time, usually up to 5 years.

Growth and Income Bonds – These are taxable, term investments which pay a fixed rate of interest either for growth or income.

A total of £93,600 can be invested with NS&I which increases as new issues of products are released.
